PROFESSIONAL SUMMARY

Dedicated and motivated first-year B.Tech Computer Engineering student with a strong passion for technology, problem-solving and innovative project development. Adept at quickly grasping new concepts and applying them effectively to real-world challenges. Possessing good time management skills, I thrive in collaborative environments. Enthusiastic about integrating creativity with technical skills to develop unique and impactful solutions. Actively seeking opportunities to improve technical proficiency, gain hands-on experience, and contribute to dynamic projects at the intersection of art and technology.

EDUCATION

Symbiosis Skills and Professional University
B. Tech CSIT (Cybersecurity)
GPA: 9.42

Narayana E-Techno School
(Higher Secondary)
Grade: 81%

KVS AFS Betul
(Secondary)
Grade: 94.8%

PROJECTS

Portfolio Website | Link   *HTML, CSS, JavaScript, Bootstrap*
